or Mrs. Bell from the Sunnyvale Moose Lodge

*9th grade students are also encouraged to participate and are eligible for only the \$100 savings bond.

YA Program Summary for High School Students

The Sunnyvale Moose Lodge will host the 2011-2012 Youth Awareness program for this area. Below is an explanation of the major steps in the program.

1. Attend a Youth Congress at the Sunnyvale Moose Lodge. It will be held on Thursday, Dec. 1, 2011 from 4:00 to 7:00 p.m. Registration is from 3:30 to 4:00 p.m. There you will:
 - A. Complete a registration form. (Bring your social security number you need it to earn the \$100 savings bond.)
 - B. You will be given instructions on how to get prepare and give your Kid's Talks.
 - C. Discuss various ways to present your Kid's Talks such as using props, Power Points, handouts for the children, costumes, puppets or other teaching techniques.
 - D. We will have a brief AV presentation of a sample Kid's Talk
 - E. You will be given contact numbers in case you have questions or problems.
 - F. Receive a certificate of participation, a list of suggested topics for the Kid's Talks, and the form to turn in with your Kid's Talk reports.
2. Prepare your Kid's Talk.
 - A. A Kids Talk is a presentation to a group of three or more children ages 4-9. The children can be friends, family, preschools with 4 year olds, early elementary grades, church groups, Scouts or other groups of young children **ages 4-9**.
 - B. A list of topics will be given out at the Sunnyvale Student Congress. You give these three Kid's Talks to young children to help them make wise decisions about drugs, smoking, bullying, stranger danger, nutrition, etc.
 - C. Stick to one main topic. Props are encouraged to help make an impact on the children. Involve the children with interactive activities, short games, handouts, prizes, role-playing and/or discussion questions.
 - D. If possible, get kids out of their seats for part of your talk. Be sure to plan your introduction and closure. A small prize or certificate for each child might be good for closure. Children have short attention spans, so 8-20 minutes is probably ideal.
3. Give your three Kid's Talks to groups of children **ages 4-9**. The groups can be a few children up to an entire elementary class or larger group.
4. Write three Kid's Talk reports. **The reports can be really simple (one page) if you are only working for the savings bond and community service, but should be more detailed if you want to try for national scholarships.**
5. When you complete three Kid's Talks and submit three reports, you will earn a \$100 savings bond. These reports are turned in to Mrs. Childs (650) 520-9004 as soon as they are ready. **The deadline is February 12, 2012.**
6. The \$100.00 bond will be mailed out in the spring after the Sunnyvale Moose Lodge has verified that your three Kid's Talk reports have been returned in a timely manner.
